

# Completing Case Participant Searches

## 1. Open the Case Participant Search screen

Click on the *Case Participant Search* link appearing in the Search section of your dashboard.

**Tip** You can also access the search by navigating to PACFile > PACFile Search > Case Participant Search.

## 2. Enter the name of the case participant

Use the **Last Name** and **First Name** fields to enter the name of the case participant.

## 3. (Optional) Enter a County and Court Office

Use the **County** and **Court Office** dropdowns to narrow your search results to a specific Common Pleas Court and division.

**Tip** Leaving these fields blank produces a statewide search.
